Offer Letter

Dear Vikram,

Congratulations on being selected to join the Exactspace Technologies team! We're excited to have you on board as **Mern Developer**. You've chosen an exciting field to continue your career in and we're confident this will be a great starting point.

Exactspace is in the business of building advanced AI Solutions for the industrial world and you will get to work on multiple layers of our real-time analytics technology stack. This includes developing Mern stack applications, integrating APIs, and crafting solutions with real time live data.

The terms of your role are listed below:

Start Date: 1st August, 2023

Salary: Rs. 18,000 per month

Workplace: Bangalore

Timings: We follow a 5-day work week (Monday-Friday)

Do share your acceptance of the offer within 1 day of receiving this offer by sending a confirmation mail. Should you have any questions about this offer, feel free to contact me directly on my co-ordinates below. We look forward to having you onboard!

Excited to have you on our team!

Sincerely

Rahul Raghunathan
Co-founder, Exactspace
